Director of Central Intelligence
National Intelligence Council
Room 7E - 62 Headquarters
Washington, D. C. 20505

Dear Bill:

19 Apr.
It was with great interest I read your very excellent speech, "The Growth and Strength of the Soviet Union" as reprinted in the January edition of Vital Speeches. Somehow it would be great if all the members of Congress, who continue to be ignorant of the threat to the free world, would read your speech in order to wake up. My sincere compliments.

Truly yours,
